1. Product description

This remote control is to be used with the G-EYE 720p and G-EYE 1080p camera models. It enables you to control these cameras remotely. Please note: Maximum range = 5 metres
Certain objects can adversely affect the range of the remote control

- Laser ON/OFF: hold down button 2 for 3 seconds
- If the battery indicator does not light up:
 - either the signal has not been sent
 - or the battery is empty.

2. Pairing the remote control with the camera
The remote control must be paired with your camera.

To do this follow the steps below:

1. Keep the video recording button of the G-EYE camera pressed down
2. While pressing down the button, switch the G-EYE camera to ON
3. Release the video recording button of the G-EYE camera
4. Press buttons 1 and 3 on the remote control at the same time
5. You should hear a confirmation beep.
6. Check the pairing by trying to take a photo with the remote control.
